

HUNTER VALLEY EQUESTRIAN CENTRE

May 2017

Hi Everyone,

The end of the month finished with a two day competition for Alexander Park Dressage Club at Salt Ash and then Shaun attending the EA NCAS Coach Educator Forum at SIEC.

I was really proud of all of my pupils and their results. They received great feedback on their performances. This inspires me to coach well and help them as much as possible to become better dressage riders. The results are on the APDC website. I rode Rufous Fantail (Regard) who tried very hard to be my partner and attempt all that was asked of him. He came 3rd in the Prix St George and 2nd in the Intermediate 1.

Rufous Fantail

Every three years I must attend an update clinic to remain a Coach Educator. This allows me to train people to become EA coaches from Introductory to Level 2/3 Dressage. The forum attracts some of the best coaches in the country. We discuss everything related to coaching coaches. If anyone is interested in becoming an EA coach please talk to me and hopefully I can help you.

Bruce is keen to mow paddocks. If you see him on his tractor, please ask him if he would like a gate opened or closed and collect some sticks so the slasher stays healthy and keeps working.

Dungog Dressage Club held their annual awards night. Congratulations to pupils Jade & Bobby, Emily & Tosh and Molly & Danny who all received point score championship awards.

I have one motorbike left for sale. It is a Yamaha 1996 TRX 850cc super twin sports, 72,652 km,

one owner. Please pass on my details if you know anyone who might be interested.

My recommendations for June:

- Experience High Tea in Maitland at the Palm Court Tea Salon, 315 High Street, Maitland;
- Visit Veni's Shoe Repairs, Market Town (Coles Side) – great for boot repairs;
- Try Spectrum Amino Joint Plus – great for keeping your horses' joints healthy.

Bye for now,

Shaun

HVEC pupils out and about...
