

# HUNTER VALLEY EQUESTRIAN CENTRE

**December 2017**

Hi Everyone,

Once again the Christmas Party was a very enjoyable time. Approximately 60 people came to eat, drink and relax. Lots of children were swimming, whilst others took time to catch up and talk about the busy year of 2017. Thank you to Ruby, Gilbert and the Murcott family for singing Christmas carols. Thank you to everyone for the beautiful Christmas presents.

### ***Carols at the Christmas party***

Congratulations to Emma and Luke on the birth of their baby girl Adelaide. I'm sure she will visit soon and learn lots about horses.

A belated welcome to Edward and Can Can who came to HVEC in November. Can Can is a polo pony, so the dressage arena is often converted to a pretend polo field, or you may see them in the front paddock having a practice.

### ***Christmas Day feed up***

Emi was asking me if I could find some young riders to assist their ponies at the Centre. I said I would try. If anyone knows of some young riders who would like to keep their ponies at this great training facility, please call me.

We still have 2 spots available for the Shaun France and Rozzie Ryan Young Rider Dressage Clinic on 13 January 2018. This is a great opportunity for Young Riders to improve their dressage test riding before the competition season starts.

As we look back on 2017, we can feel happy that we have achieved a lot. The horses have brought us a lot of happiness and success with our riding.

Prepare for the New Year of 2018 with a thoughtful plan and keep learning and riding as much as possible.

Happy New Year, *Shaun*.
