

# HUNTER VALLEY EQUESTRIAN CENTRE

October 2018

Hi Everyone,

October was a very busy month with lots of owners and pupils out and about at competitions. We have so many competitions in this area, so there are lots of opportunities for riders to educate their horses well and be very competitive, or just enjoy the social side of riding with other people.

Congratulations to all of my pupils and horse owners who competed in October.

It is with deep regret that Bruce and I have decided to sell our cars. Bruce loves to be a rev head in his blue turbo ute, but we are going to share (and maybe argue over) an upgrade to a Nissan Navara. If you are interested in buying either my Toyota Aurion or Bruce's Ford ute then please give us a call.

Sally has spent the last month training Roseman. She has done a great job. He is sadly for sale, so please have a look at his video on Facebook and give me a call if you are interested.

There are still four spare paddocks available for agistment at HVEC and spaces available for lessons. Remember training is never interrupted with the availability of the indoor/covered arena.

Christmas is not that far away. The HVEC Christmas Party at my house will be on Saturday, 22<sup>nd</sup> December starting at 1:00 pm. Everyone is welcome!

Best wishes, from *Shaun*.
