

HUNTER VALLEY EQUESTRIAN CENTRE

November 2018

Hi Everyone,

The month of November is the preparation for dresses, hats, champagne and lots of fun. Bruce and I drove to Bistro Molines for a Melbourne Cup lunch that is always fantastic. Put this on your bucket list for 2019. Horses, horses and horses + fine food and beautiful wines.

As summer becomes hotter, we have thoughts about our fire plan. I have put some information on the corkboard and we have made a group text for all the owners. I am not going away so everything should be okay. Everyone can pick up sticks in their paddocks to assist in our plan. After the wind, there are so many sticks everywhere and it is so dry.

Sam tidying up the farm in preparation for the Christmas Party

Please try to wear your LARGE HATS and use sunscreen this summer. No thongs or sandals are allowed in the stables and paddocks. Summer is a good time for training in between comps, but try to come early and beat the heat.

Have all the riders filled out their 2019 planner? This is very important and gives you goals and progress markers for you and your horse.

The Hunter Valley Dressage Association always has a t-shirt day in January at Salt Ash. In 2019

this will be on Sunday, 20 January. Entries close on 20 December.

Don't forget the HVEC Christmas Party at my house on Saturday, 22 December. Bring a plate and enjoy the afternoon with friends.

I also know the best present for Christmas for a future champion dressage rider – "Roseman" – yes, he is for sale. Come and try him, you will fall in love.

Roseman – a perfect Christmas present for a champion dressage rider

I am also selling my Kieffer Sydney dressage saddle. It is in good condition and is priced at \$1,800.

17" Kieffer Sydney, \$1,800

Best wishes and *Merry Christmas*, from Shaun.
