

# HUNTER VALLEY EQUESTRIAN CENTRE

February 2020

Hi Everyone,

Finally the rain came and the Equestrian Centre was green again. The horses loved having some green grass to nibble on and softer ground to stand on. Riders took advantage of hiring the indoor arena and having the opportunity to continue with their training.

We had lots of riders, grooms and family stopping overnight on their way to Willinga Park Dressage by the Sea 2020 competition. It's a long way from Queensland so the Queensland riders were happy to park their trucks and floats and rest their horses in the stables. On their return they had many ribbons and good stories to share.

Unfortunately I missed it this year. On 2 February I accidentally came off Rhannar and fractured 4 ribs, so I'm not able to ride for 6 weeks and am on light duties. It's very difficult, to say the least.

Private lessons are available most days at \$77 per hour. Please contact me on 0407 200 907 to book in. I don't have any school horses available, but I'm happy to teach riders at all levels on their own horses.

Please also tell your friends about the Beginners Horse Care Clinic in March.

The room in the shed is also available for a permanent or casual letting at a reduced rate. Please call me on 0407 200 907 for more information.

Bye for now,

Shaun

## Accommodation – Room for Rent

Self contained

- Double bed
- TV
- Cupboard and bench
- Sofa lounge
- Fridge, freezer and microwave

Would be ideal for a casual worker. Bathroom is inside the stable block (30 metre walk from the room). The room is located in the shed next to a large car park at Hunter Valley Equestrian Centre 2 Blackhill Road, Black Hill 2322.
