

HUNTER VALLEY EQUESTRIAN CENTRE

July 2020

Hi Everyone,

As I write this newsletter, the second wave of COVID-19 is a reality. The uncertainty for some people must be very stressful. We are not always comfortable with change, but it is inevitable. For those lucky enough to own a horse, you will have a lot of enjoyment and pleasure. Many people are very happy to spend their past time with their horses, or to come back after many years away from riding and start again.

At HVEC we have one shared agistment paddock available. Riders have been hiring the arena, particularly through the rainy period and I am teaching lessons every day, as well as providing lunging and training of horses.

There are a few competitions on the calendar for August and September. This is inspiring and exciting. Let's hope that many riders will have the opportunity to take their horses out, not only to show off all their training, but to be assessed and to see all our competition friends.

There are currently a number of horses for sale at HVEC:

- Tanz – bay 16.1 hh thoroughbred gelding, 16 years old. Currently at preliminary level dressage and 45-60 cm evening.
- Roseman – chestnut 17.1 hh warmblood gelding, 6 years old. Currently training novice/elementary level dressage.
- Risto – chestnut 17 hh gelding, 4 years old. Broken in and going kindly.
- Niccolo – chestnut 16 hh gelding, 2 years old. Sire by Nemo (by Negro), Dam is Jato (by Jazz).

In July we welcomed Erin & Milo and Amy & Jasper to HVEC.

July was also a busy month for birthdays! Happy birthday to my grandsons Austyn & Myles, Heath Ryan, Vanessa, Emily, Sally Hurt and Simon Murcott (Ruby and Gilbert's father).

Till next month, stay positive and stay safe,
Shaun

Images from July...

Tanz – currently for sale

Roseman and Risto – both currently for sale

Happy birthday...
