

HUNTER VALLEY EQUESTRIAN CENTRE

Newsletter - May 2022

Hi Everyone,

We have survived an extremely wet month and look forward to a few clear days. The feed up car and track have had a decent workout plus our work/gum boots have also worked hard.

The paddocks have survived and now we can settle into winter. Due to the extreme weather, we have had a few new arrivals.

In May we welcomed Clancy and Bonnie, Danny and Julie, Leanne and Indy and Brooke and Donna. I hope you enjoy your stay at HVEC. We also welcomed back Lonny, Lotte and Roseamber.

Finally the upstairs flat (the Mews) is ready for listing on Airbnb. It looks really nice and is ready to receive its first guests.

The Mews is a first floor studio apartment located above the stable block. It has an open aspect kitchen with fridge, microwave, combined lounge & dining area with TV, 2 x queen size beds, ensuite bathroom and views overlooking the paddocks and riding arena. A startup pack of tea, coffee, water and toilet paper is included. All linen is supplied. No WiFi but 4G is available on the property. The rate is \$250 for a 2 night stay. Longer stays are optional and negotiable and horse accommodation is available for \$25 per horse per night per stable.

No pets allowed at the Mews but are welcome in the other accommodation on site, the Shed and the Campsite.

Congratulations to Izzy and Bindi who competed at the Sydney 3DE in the 80 cm class for a 5th place.

May is always that special month for mothers with their day "Mother's Day". Thank you to my daughter in law Elyse for cooking a beautiful meal at her family home, and to Lewis and Vanessa for their kind gift. A special treat after a busy day at the farm.

Bye for now, Shaun
